

# Employer survey 2017

Analysis of results

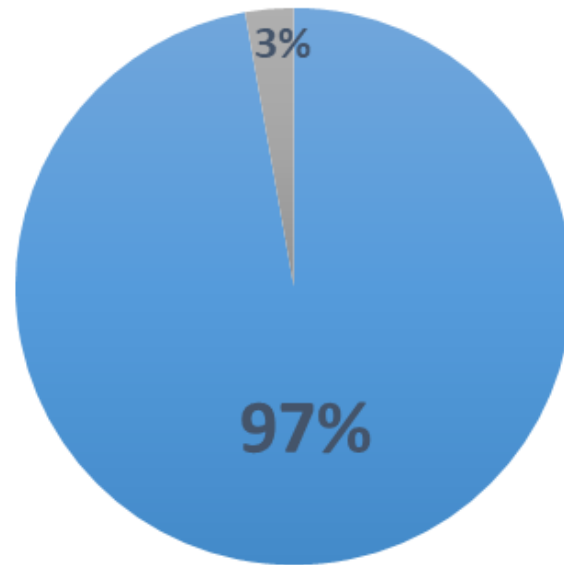

# Introduction

- The survey was completed by 24 Natspec member organisations
- Responses were received by 250 employers
- Employers were asked questions covering pre-placement administration, work placements, and support they received
- Employers were asked to give an overall rating regarding how the college had worked with them

# 1. Pre-placement

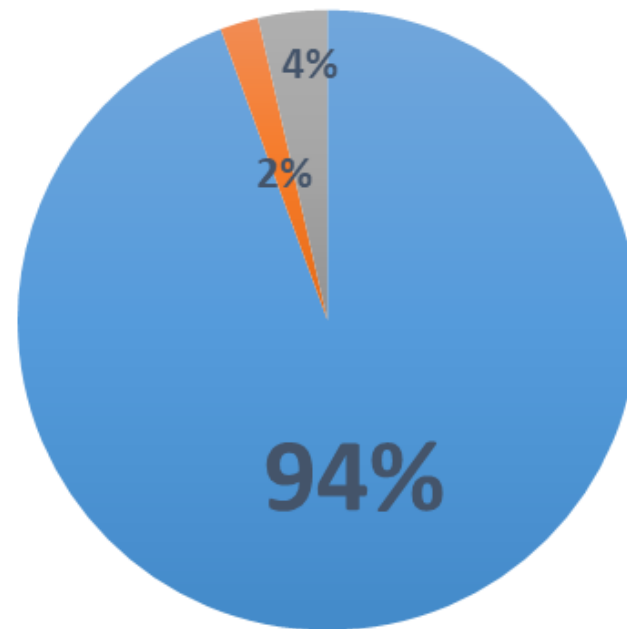

**1. Is the pre-placement administration carried out effectively**  
**(E.g. Health and Safety, Public liability insurance)**

■ Yes ■ No ■ Not Answered

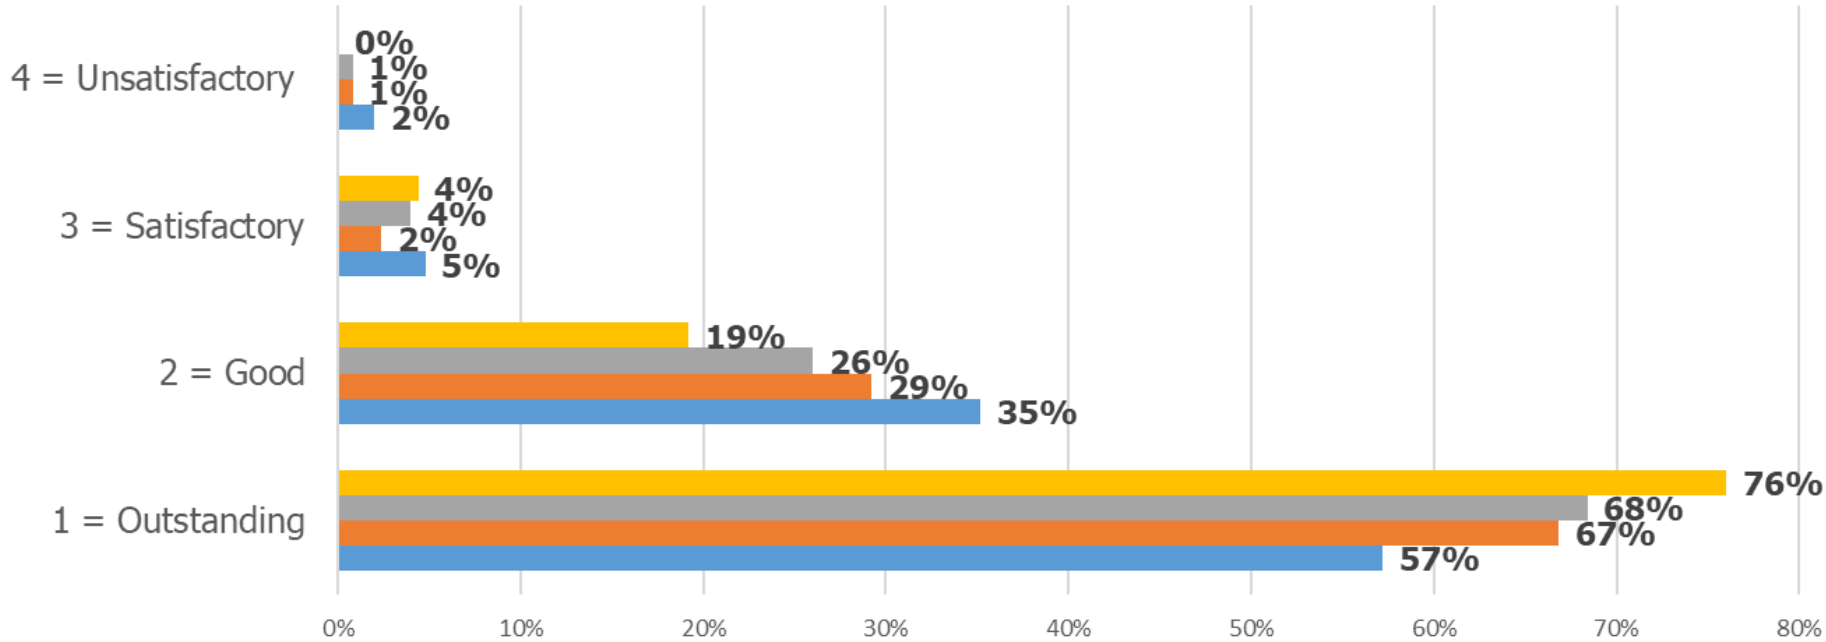

## 2. Employer's understanding of their expectations

2. Are you clear about the college's expectations of you?

■ Yes ■ No ■ Not Answered

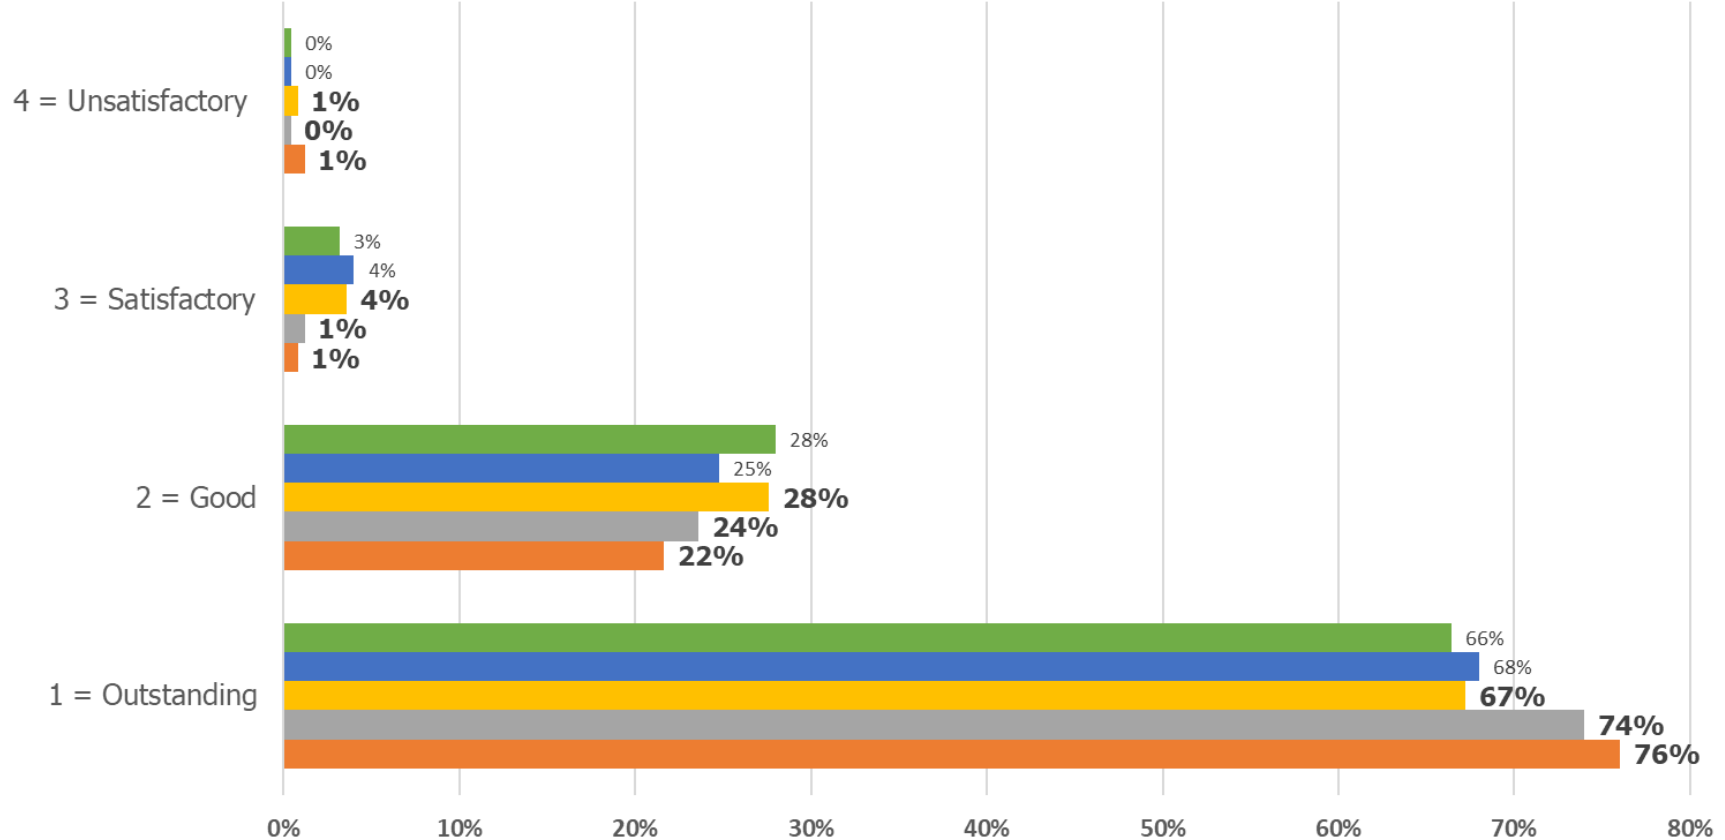

# Arranging work placements

- 6. Giving clear details of the work placement arrangements (e.g. days, times, travel, etc) and keeping you informed about changes
- 5. Providing appropriate information about students needs that respects issues of confidentiality and has been shared with the student
- 4. Providing guidance to ensure a proper induction for students
- 3. Providing accurate and updated details of college staff
