

Skills Competitions Workshop

Stretch, Challenge, Inspire, Excite: Competition activity in the curriculum - raising the standard of study programmes for students with SEND

11 April 2018 1pm to 5pm

Venue: Taunton Conference Centre, Wellington Rd, Taunton TA1 5AX

Purpose

This workshop will provide hands-on guidance and tips to support practitioners in:

- using competition activity in the vocational curriculum as a motivational tool
- raising standards through engaging students in competition
- applying a competition brief to a variety of curriculum areas
- creating opportunities for partnerships with employers
- using competition as a bridge to employment.
- awareness of the Inclusive Skills competitions
