

Find

a

cardboard

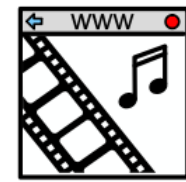

box.

Print

internet

icons.

Cut out and glue onto box.

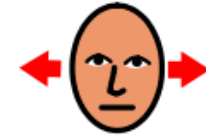

Look for a green and red tray.

true

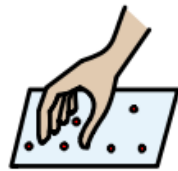

yes

no

false

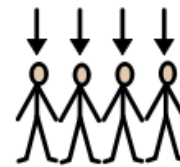

Choose

a

symbol

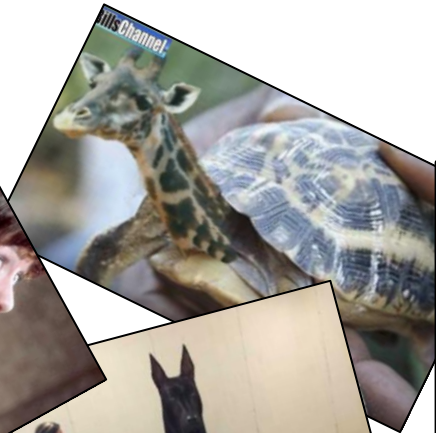

which

everyone

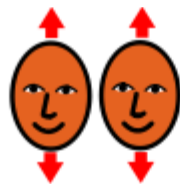

understands

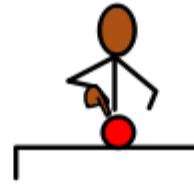

Discuss

and

agree

on

what

is

true

and

false

All go in the box,

the internet cannot decide

what is true or false.

We

can

decide

what

is

true

and

false.
