## Thank you to our 2019 sponsors

Axcis are the foremost suppliers of SEND staff to mainstream and specialist schools. We work with a range of candidates, from TAs and Teachers to Therapists and School Leaders. We would love to hear from you if you are looking to recruit any temporary or permanent SEND staff or seeking employment in this sector.

Axcis provides quality people for day to day cover, long-term and permanent assignments. We pride ourselves on our ability to listen to your needs and find the right candidate, no matter how specialist your requirement. We consistently receive excellent feedback from candidates and clients alike.

databridge

DatabridgeSPA is a comprehensive learner management system built around the core concepts of managing individualised learner-centred assessment, teaching and real-time achievement recording, evidencing and reporting.

Together with the powerful timetabling system, attendance management and reporting, the bespoke 'Patterns' behaviour and safeguarding recording system, care management, attendance reporting and many other functions it provides a single interconnected system specifically designed for Independent Specialist Colleges and is used by more than 50 ISCs, schools, day and residential services.

We are proud to be a sponsor of the Natspec 2019 conference, please feel free to come along to our stand for a chat.
